

Agents Giving

We need your help!

Property Industry please support us
this Agents Giving Day

Thursday 16th June 2022

We are supporting our industry charity Agents Giving who are running a national campaign collecting items for local foodbanks.

You can help by;

- Collecting dry and tinned food items and bringing them into our office anytime
- We are acting as a local collection point for food donations
- We will make the donation onto our local foodbank

Thank you for helping to make a difference to families in our local community who need a helping hand from the foodbank.
