Agents Giving Grant Fund

The Agents Giving Grant Fund exists to help towards the set up costs of agents fundraising events, meaning more of the money you raise goes directly to your chosen charity.

Grants of up to £250 per office per year can be awarded for any event that includes a set up cost, (limited to three offices per company only).

It's easy to apply, here's how:

- 1.** Fill out the short form on our website which includes what the grant will be for agentsgiving.org/the-agents-giving-grant-fund Or give us a call to tell us about your event and find out how we can help
- 2.** We will call you to chat about your event and how we can assist with any promotion
- 3.** Provide us with proof of expenditure, an event image/s and mini write up for us to promote on social media, website, newsletters and PR
- 4.** We pay your grant, meaning you raise more funds for your charitable cause

We look forward to hearing from you and supporting your fundraising events. You must be fundraising for a registered UK charity.

Thank you for your support
