Winter Warmth Campaign

This campaign will distribute coats, jumpers and small personal hygiene products to rough sleepers on the streets of the UK at a time when many rough sleepers are feeling the effects of winter.

**You can help by collecting and donating.
It's so easy, here's how.**

- 1.** Ask your team and local community to drop off their unwanted coats, jackets, jumpers and new personal hygiene products
- 2.** Organise a collection area, box, bag for all donated items, ensure they are in a wearable condition and you have cleaned out pockets
- 3.** Once collected, box up ready to donate
- 4.** Contact Agents Giving to register your involvement in the campaign, we can help guide you to your nearest homeless shelter, charity, food bank or community collection.
- 5.** Arrange your drop off with them directly
- 6.** Share your collection photos with us - knowing you have helped to make a big difference to rough sleepers this winter.

Thank you for your support
